SENATE BILL 19-138

BY SENATOR(S) Winter and Priola, Court, Gardner, Tate, Todd;  
also REPRESENTATIVE(S) Bird, Buentello, Exum, Hooton, Kraft-Tharp,  
Snyder, Tipper, Becker.

CONCERNING BONDING REQUIREMENTS FOR CONTRACTORS THAT ARE A  
PARTY TO CERTAIN PUBLIC-PRIVATE INITIATIVES.

*Be it enacted by the General Assembly of the State of Colorado:*

**SECTION 1. Legislative declaration.** (1) The general assembly hereby finds and declares that:

(a) Under current law, taxpayers, subcontractors, and material suppliers have payment protection on public construction projects through bonding requirements and on private construction projects through mechanic's liens, but no such payment protection exists on construction projects using a public-private partnership funding agreement.

(b) Bonding protects the public interest, tax dollars, and property owned by the taxpayers of Colorado and helps ensure that subcontractors and materials suppliers involved in the construction or repair of a public property are paid.

*Capital letters or bold & italic numbers indicate new material added to existing law; dashes through words or numbers indicate deletions from existing law and such material is not part of the act.*

(2) Now, therefore, it is the intent of the general assembly to ensure that current payment and performance bonding requirements for public construction projects apply to construction projects using a public-private partnership funding agreement.
