

2021 SUBStrong

BUILDING YOUR BOTTOM LINE

presented by

VIRTUAL CONFERENCE & TRADE SHOW

February 24-26, 2021

2021 SUBStrong is a 3 day virtual conference and trade show that delivers information and resources to build the bottom line of the specialty contractor business. SUBStrong delivers roundtable discussions, workshops, education sessions, networking and tradeshow targeting finance, business development, health and safety, leadership, contract, insurance/bonding, human resource/employee burden and employment law. Attendees will take away information and resources that they can easily implement at their business.

Coming January 18, 2021
