SPONSORSHIP

The “Drive for the Stars Golf Tournament” – is a joint fundraising event by the Colorado Contractors Coalition (ASAC, AWCI, CRA, NUCA and RMSCA). Member participation in past fundraising events helped us secure a victory for CCC in 2019 with the passage of SB19-138-Bond Requirements for Public Projects using Private Financing & is helping us work towards retainage reform on private projects in 2021 and [HB21-1167 - Private Construction Contract Payments](#).

Help us continue this success as we work to protect and advocate for subcontractors in 2021. Your participation will help us raise money for our joint legislative efforts including funding a lobbyist, legislator and industry communication and participation in industry coalitions and organizations.

I would like to be a Sponsor of the Drive for The Stars Golf Tournament.
